

Declaration of Authorship and Copyright Prior Art

Poker Sciences

Dated this 10th day of July, 2025

1. Introduction

This document constitutes a formal declaration of authorship and serves as verifiable proof of prior art regarding two original characters created by Poker Sciences: the **Poker Sciences Hooded Mage** and the **Poker Sciences Purple Little Devil**.

2. Purpose

This declaration aims to establish clear evidence of the creation and public disclosure of the aforementioned characters, in order to protect the exclusive intellectual property rights of Poker Sciences and provide legal grounds for any future copyright claim or dispute.

3. Description of the Characters

3.1 Poker Sciences Hooded Mage

The Hooded Mage is an original character designed to represent strategic knowledge and mystique within the Poker Sciences universe. It is depicted as a figure wearing a dark hooded robe, often with gold or mystical symbols, evoking wisdom and mastery.

3.2 Poker Sciences Purple Little Devil

The Purple Little Devil is a unique character embodying mischief and cunning tactics in the Poker Sciences context. It is characterized by its small size, vivid purple color, playful yet slightly sinister demeanor, and distinctive horned silhouette.

4. Copyright Statement

Poker Sciences hereby declares that all visual and conceptual elements of the Poker Sciences Hooded Mage and Poker Sciences Purple Little Devil are original works fully conceived and designed by Poker Sciences. No part of these works may be reproduced, copied, or exploited in any form without explicit written consent from Poker Sciences.

5. Legal Notice

This document, together with its associated files and publication timestamp on GitHub, shall serve as legally admissible evidence of authorship and copyright ownership in any present or future proceedings related to the protection of these characters.
